**Great Southern Builders introduces *The New Home Collection at Seabrook Island***

Great Southern Builders is pleased to announce the introduction of *The New Home Collection at Seabrook Island*. The new home building program is designed for current and prospective lot owners on Seabrook Island to select from 3 pre-approved home designs.

Brent Campbell and Dirk Brown, managing members of Great Southern Builders stated, "We are excited to kick off *The New Home Collection at Seabrook Island*. The developer has assembled a well-seasoned team of architects, landscape architects, designers, and builder to streamline the custom home building experience".

Property owners can select from 3, 4, and 5 bedroom pre-approved plans, ranging from 2600-3400 square feet.

Great Southern Builders is a family owned, custom home builder with over 40 years combined building experience. They company specializes in custom homes and high end renovations throughout the Lowcountry and Charleston's coastal communities.
